MINISTRY OF COMMERCE

PUBLIC NOTICES

IMPORT TRADE CONTROL

New Delhi, the 11th October 1968

SUBJECT.—Import of "Dates" (S. No. 21(b)/IV) from Iraq during October, 1968—September, 1969 licensing period on annual basis.

No. 221-ITC (PN)/68.—It has been decided to grant licences on a quota of 65 per cent for import of "Dates" from Iraq to the established importers, having past import of "Dates" from that country by sailing Vessels/Steamers etc., within the prescribed basic years on annual basis. Grant of minimum value licences will be governed by paragraph 9 of this Public Notice.

2. The basic period for all established importers of "Dates" from Iraq will be from 1961-62 to 1965-66. However, Established Importers, having past imports of "Dates" from Iraq by Sailing vessels/Steamers etc., within the previous basic period (i.e., 1956-57 to 1961-62) will be entitled to apply for licences under this policy on the basis of their accepted and/or unimpeachable past imports, if they so desire.

3. The established importers may submit their applications to the Joint Chief Controller of Imports and Exports, Bombay/Calcutta/Madras/Central Licensing area, New Delhi/Dy., Chief Controller of Imports and Exports, Ernakulam,

(according to the jurisdiction under which they fall), on or before the 31st October, 1968. No past import documents are required to be produced, provided such documents were produced in the past and were accepted in the past by the licensing authority concerned for issue of licences for import of Dates from Iraq. However, the established importers should quote the number and date of licences obtained by them in the preceding two periods. The established importers, applying for the first time for grant of licences for import of Dates from Iraq according to the current policy, should submit unipreacable documentary evidence of past import of "Dates" from Iraq within the prescribed basic years i.e., 1956-57 to 1965-66.

4. Licences will be valid for import of dates from Iraq subject to the condition that not less than 60 per cent of the face value of the licence shall have to be utilized for import of Dates from Iraq by Sailing vessels only and the balance 40 per cent by steamers etc.

5. It has also been decided, that the importers who are eligible in terms of Annexure to this Public Notice will also be granted licences on equal value basis, irrespective of their past imports of "Dates" from Iraq, subject to the provision contained in paragraph 45(2) of the Import Trade Control Hand Book of Rules and Procedure, 1968, referred to in paragraph 9 of this Public Notice. They may submit their applications for import of "Dates" from Iraq for October, 1968—September, 1969 period to Joint Chief Controller of Imports and Exports, (Central Licensing Area), New Delhi, on or before the 31st October, 1968 in the usual form and manner complete in all respects. Licences issued in terms of this paragraph will be valid for import upto 60 per cent by Sailing vessels and the balance by steamers etc., as indicated in paragraph 4 above.

6. It may be noted that no double benefit will be given and the applicants should submit one application only either in terms of paragraphs 1 to 3 or in terms of paragraph 5 above and they should clearly mentioned in their application that they have applied in one capacity only and not under both.

7. All incomplete applications are liable to be rejected.

8. The licences issued in terms of this Public Notice will be valid upto the 30th June 1969, from the date of issue and no further extension in the validity period of the licences will be granted.

9. It may be noted that for grant of minimum value of licences, the provisions contained in paragraph 45 of the Import Trade Control Hand Book of Rules and Procedure, 1968 will apply.

ANNEXURE

S. No. & part of the ITC Sche- dule	Description of goods	Licensing auth- ority	Validity of licen- ces	Basis of licensing	
				1	2
3	4	5			
21(b)/IV.	Dates.	Jt. CCI&E., (CLA), New Delhi.	Upto 30th June, 1969.	Adhoc licences for import of Dates from Iraq will be issued to:— (i) Established Importers who have imports of fresh fruits to their credit from Afghanistan during the five years ended 30-6-1957;	

1

4

5

(ii) Established Importers who have imports of fresh fruits to their credit from any of the countries in the 'General Area' including Pakistan but excluding Afghanistan, during the period from 1951-52 to 1961-62;

(iii) Established Importers who have imports of fresh fruits to their credit from any of the countries in the 'General Area' including Pakistan but excluding Afghanistan during the period from 1945-46 to 1950-51 provided these imports had been accepted by the licensing authority for grant of adhoc licence, for import of fresh fruits from Pakistan during 1960 to 1964

(iv) Established Imports who have imports of dry fruits to their credit from Pakistan during the period 1951-52 to 1961-62.

(v) Co-operative Societies dealing in fresh fruits.

SUBJECT.—Import Policy for Registered Exporters for the year April, 1968—March, 1969.

No. 222-ITC(PN)/68.—Attention is invited to the Import Policy for Registered Exporters contained in Volume II of the Import Trade Control Policy Book (Red Book) for the year April, 1968—March, 1969, issued under the Ministry of Commerce Public Notice No. 50-ITC(PN)/68, dated the 1st April, 1968.

2. The following items are classifiable under the product Groups mentioned below and fall under the respective serial numbers shown against each:—

A. ENGINEERING GOODS.

1. Cab. mounting, front/rear.	A.10.15.
2. Rubber buffer.	A.10.15.
3. Engine rear suspension insulator.	A.10.15.
4. Differential casing rubber bumper.	A.10.15.
5. Bumper, front/rear.	A.10.15
6. Suspense rubber bumper, front/rear	A.10.15
7. Chassis bush.	A 10.15

B. CHEMICALS AND ALLIED PRODUCTS.

1. Radiator hose (bottom straight).	B.53.1.
2. Propeller shaft rubber cushion.	B.53.6.
3. Steering coupling.	B.53.6.
4. Shock absorber bush stud.	B.53.6.
5. Hood stay rubber.	B.53.6.
6. Bushes steering column for truck.	B.53.6.
7. Door sponge rubber.	B.53.6.
8. Rubber channel for glass and body fitting for automobiles.	B.53.6.
9. Bonnet rubber.	B.53.6.
10. Clutch and brake pedal (of rubber).	B.53.6.
11. Shock absorber bush, front/rear.	B.53.6.

3. The above items may be inserted alphabetically at the appropriate places in the index of the above Red Book under the relevant product groups.

SUBJECT.—*Import Policy for Registered Exporters for the year April, 1968—March, 1969.*

No. 223-ITC(PN)/68.—Attention is invited to the Import Policy for Registered Exporters contained in Volume II of the Import Trade Control Policy Book (Red Book) for the year April, 1968—March, 1969 issued under the Ministry of Commerce Public Notice No. 50-ITC(PN)/68 dated 1st April, 1968.

2. The following amendments may be made at the appropriate places as indicated below:—

Page No. of the Red Book (Volume II)	Reference	Amendments
79 & 80 .		<p>The general notes given in Col. 5 against the Product Groups "K. WOOLLEN CARPETS, RUGS AND DRUGGETS" and "L. WOOLLEN TEXTILES, HOSIERY AND MIXED FABRICS" may be numbered as 1 and the following second general note may be added against the above two Product Groups:—</p> <p>"2. Against the export of products covered under this Product Group a recognised spinner of wool may be nominated for obtaining release order for wool from the STC".</p>

SUBJECT:—*Import of raw materials, components and spares to S.S.I. units manufacturing radio receivers, transistor radio receivers, amplifiers, car radios and microphones—April 1968—March 1969 period.*

No. 224-ITC(PN)/68.—Attention is invited to the remarks against S. Nos. 290/IV, 78(iv)(1)/V and 78(iv)(5)/V in Section II of the Import Trade Control Policy (Red Book—Vol. I) for the period April 1968—March 1969, wherein it is stated that the Import policy for actual users will be announced later.

2. It has now been decided to consider applications for the import of raw materials, components and spares from small scale industrial units engaged in the manufacture of radio receivers, transistor radio receivers, amplifiers, car radios and microphones in the manner laid down in the Annexure to this Public Notice.

3. The entries against S. Nos. 290/IV, 78(iv)(1)/V and 78(iv)(5)/V in Section II of the Import Trade Control Policy (Red Book—Vol. I) for April 1968—March 1969 period may be deemed to have been amended accordingly.

ANNEXURE

Import Policy for raw materials, components and spares required for the manufacture of radio receivers, transistor radio receivers, amplifiers, car radios and microphones—April 1968—March 1969 period.

(A) Existing Units.

1. *Value type Radio Receivers, transistor radio receivers including low-priced radio receivers.*—Applications from the existing S. S. I. Units manufacturing valve type radios, transistor radio receivers, including cheap radio receivers who were granted import licence in April 1967—March 1968, will be considered for grant of actual user licences for the import of radio components. Import licences will be issued for the value calculated at a pack value of Rs. 2.75 c.i.f. per radio set, based on their actual production of such radios during twelve months from 1st April, 1967 to 31st March, 1968, increased by 25 per cent thereof for expansion. The licences will be valid for the import of the following components/materials only, subject to value limit indicated against each.—

Sl. No.	Name of the component/materials	Value limit upto which import will be allowed within the face value of the licence.
1	2	3
(i)	Disc Ceramic Capacitors Miniaturised types	25 per cent.
(ii)	Electrolytic Capacitors low voltage 50 V and below.	25 per cent.
(iii)	Ferrite and iron dust Cores not exceeding 1" in length.	25 per cent
(iv)	Gang Condenser, Air Dielectric.	25 per cent.
(v)	Gang Condensers PVC type.	50 per cent.
(vi)	Potentiometers, gauged or dual or Miniaturised. These could be with or without switches.	25 per cent.
(vii)	Rotary Type Band Switches Miniaturised	25 per cent.
(viii)	Trimmers.	25 per cent.
(ix)	Short Wave Ferrite rods	10 per cent.
(x)	Miscellaneous items viz., litz wire, high permeability, Laminations, insulating materials, wire thinner than 44SWG.	10 per cent.

Items (iv) to (viii) can be imported as complete items or parts thereof.

2. Import licences for radio components/materials issued under this policy can also be utilised for the import of components required for the servicing of radio receivers, upto 2½ per cent to the face value of the licence within the overall face value.

3. The applications for licences should also be accompanied by a certificate of Chartered Accountant or of the concerned State Director of Industries, indicating the number of radio sets produced by the applicant unit during 12 months from

1st April, 1967 to 31st March, 1968. The certificate should separately indicate the number of sets produced in each category as under:—

Statement of Production of Radios during 1st April, 1967 to 31st March, 1968.

Name of Unit—

	Single Band	Multi Band	Total
Valve type receivers			
Transistors Sets			
TOTAL			

A copy of the statement should also be endorsed to the Department of Defence Supplies, New Delhi and the Development Commissioner, small Scale Industries, Nirman Bhavan, New Delhi.

4. Amplifiers.—Applications for import of components/materials will be considered from existing SSI units manufacturing amplifiers who were granted import licences in April 1967—March 1968. Import licence will be issued for the value calculated at a pack value of Rs. 22.50 c.i.f. per amplifier based on the actual production of amplifiers during twelve months from 1st April, 1967 to 31st March, 1968 increased by 25 per cent thereof for expansion. The import licences, where issued will be valid for the import of the following components materials only, subject to the value limit indicated against each:—

S. No.	Name of the components materials	Value limit upto which import will be allowed within the face value of the licence.
1	2	3
(1)	Valves other than the following types;	50 per cent.
(1)	EZ 80	
(2)	EBC 81	
(3)	EF 89	
(4)	KL 84	
(5)	ECH 81	
(6)	EM 84

(24) CV 5173	
(25) CV 2347	
(26) CV 440	
(27) CV 449(84 A2)	
(28) 5654	
(29) SI50/30	
(ii) Electrolytic Condensers Low Voltage miniature 75 V and below.	10 per cent
(iii) Electrolytic condensers high Voltage 250 V and above.	10 per cent
(iv) Vibrators.	50 per cent.
(v) Potentiometer i.e. Volume controls or tone controls, gang or dual or miniaturised or wire wound types.	10 per cent.
(vi) Transistors having Dissipation of 2 Watts and above, Diodes with a rating of 1 amps and above and thermistors with a rating of 10 Ohms and below.	70 per cent.
(vii) Laminations High Permeability, Connectors, Jacks and Plugs and parts thereof, insulating materials.	10 per cent.

5. Import licence for components/materials issued under this policy will also be valid for import of components required for the servicing of amplifiers upto 2½ per cent of the face value of the licence within the overall value of the licence.

6. The applications for licence should also be accompanied by a certificate of Chartered Accountant or of the concerned State Director of Industries indicating the number of amplifiers produced by the applicant during twelve months from 1st April, 1967 to 31st March, 1968. The certificate should separately indicate the number of amplifiers produced in each category.

Statement of Production of Amplifiers 1st April, 1967 to 31st March, 1968

Name of unit

	Category	Number
Valve Amplifiers	
Transistorised Amplifiers	
TOTAL	

A copy of the statement should also be endorsed to the Department of Defence Supplies, New Delhi and the Development Commissioner, Small Scale Industries, Nirman Bhavan, New Delhi.

7 Car Radios—Applications for import of components will be considered from existing SSI units manufacturing car radios who were granted import licences in April, 1967—March, 1968. Import licences will be issued for the value calculated at a pack value of Rs 36/- c.i.f. per car radio based on the actual production of car radios during twelve months from 1st April, 1967 to 31st March, 1968 increased by 50 per cent thereof for expansion. The import licences, where issued, will be valid for the import of the following components/materials only, subject to the value limit indicated against each—

Sl No	Name of components/materials	Value limit upto which import will be allowed within the face value of the licence.
1	2	3
(i)	Transistor having dissipation of 2 watts and above, Diodes with a rating of 1 amps and above and Thermistors with a rating of 10 Ohms and below.	
(ii)	Permeability Tuners.	No restriction
(iii)	Ferrite and iron dust cores not exceeding 1" in length	10 per cent.
(iv)	Potentiometers, Wirewound or Ganged or dual.	10 per cent
(v)	Ignition Suppressors and Suppressor Condensers	25 per cent
(vi)	Band Switches 5 bands or more.	50 per cent
(vii)	Trimmers	10 per cent
(viii)	Electrolytic Condensers low voltage 75 V and below.	10 per cent
(ix)	Special Values other than the following:	50 per cent
(1)	EL 80	
(2)	EBC 81	
(3)	EF 89	
(4)	EL 84	
(5)	ECH 81	
(6)	EM 84

(x) High permeability lamination, insulating material, litz wire, wire thinner than 44 SWG.

5 per cent.

8. Import licences for car radio components/materials issued under this policy will also be valid for import of components required for the servicing of car radios, upto 2½ per cent of the face value of the licence within the overall value of the licence.

9. The applications for licences should also be accompanied by a certificate of Chartered Accountant or of the concerned State Director of Industries indicating the number of car radios produced by the applicant unit during twelve months from 1st April, 1967 to 31st March, 1968. The certificate should separately indicate the number of car radios produced in each category as under:

Statement of Production of Car Radios—1st April, 1967 to 31st March, 1968

Name of Unit _____

Category	No.
Partially transistorised	
Fully transistorised	
TOTAL	

One copy of the statement of production should also be endorsed to the Department of Defence Supplies, New Delhi and the Development Commissioner (Small Scale Industries), New Delhi.

10. *Microphones.*—Applications for import of components/materials will be considered for existing SSI units manufacturing microphones who were granted import licence in April, 1967—March, 1968. Import licences will be issued for the value calculated at a pack value of Rs. 4.00 c.i.f. per microphone based on the actual production of microphones during twelve months from 1st April, 1967 to 31st March, 1968 increased by 25 per cent thereof for expansion. The import licences, where issued, will be valid for the import of the following components/materials only:—

Diaphragm

Mumetal Lamination

Winding Wire 44 SWG and thinner.

ENTR'Y SECRET

11. Import licences for microphones components/materials issued under this policy will also be valid for import of components required for the servicing of microphones upto 2½ per cent of the face value of the licence within the overall value of the licence.

12. The applications for licences should also be accompanied by a certificate of Chartered Accountant or of the concerned State Director of Industries indicating the number of microphones produced by the applicant unit during twelve months from 1st April, 1967 to 31st March, 1968. A copy of the statement should also be endorsed to the Department of Defence Supplies, New Delhi and Development Commissioner (Small Scale Industries), New Delhi.

13. Applications for import licences under this policy should be made to the regional licensing authorities concerned in the prescribed form and manner. The existing units i.e. those who obtained import licences for the period April, 1967—March, 1968 should make applications direct to the licensing authorities concerned, after utilising the previous set of licences for raw materials, components and spares to the extent of 90 per cent by way of opening letter of credit or 60 per cent by way of actual importation or 70 per cent by way of shipment. The applications should be accompanied by evidence showing utilisation of the previous set of licences in the form of original or photostat of the Exchange Control or Customs copy of the licence(s), as the case may be.

14. B. NEW UNITS.—Applications for grant of import licence for the import of electronic components/materials as are permissible to the existing units under the provisions of this policy will also be considered from those new small scale units who were in actual production of valve type Radio Receivers, transistor radio receivers including low-priced radio receivers, amplifiers, car radios and/or microphones on 31st March, 1968 but who had not been granted licences for the import of electronic components/materials in the past. The applications from such units along with statement(s) showing the production during 1967-68 as indicated in paras 3, 6, 9 and 12 above should reach the concerned State Directors of Industries on or before the 31st December, 1968 after which no applications will be considered. Import licences will be issued on the basis of the recommendation of the sponsoring authorities concerned. The new units should also send copy of their statement regarding production during 1967-68 to the Department of Defence Supplies, South Block, New Delhi and Office of the Development Commissioner (Small Scale Industries), Nirman Bhavan, New Delhi.

R. J. REBELLO,

Chief Controller of Imports and Exports.
